Bluetooth auto connection on Highway 260DBi

Pure Support - UK - 2025-10-27 - [Highway H260DBi/ H240Di](#)

A small number of users have reported some inconsistencies with the 'auto connect' function on the Highway 260DBi, where their phone is not automatically connecting, after some time, when re-entering the vehicle.

If you experience this a new software update has been released to resolve this. Click [here](#) for the software and instructions.
