Content that the Pure Connect App cannot support (streaming via Wi-Fi)

Pure Support - UK - 2025-10-19 - [Wireless Music Systems](#)

Content that the Pure Connect App cannot support (streaming via Wi-Fi)

Apple -Any tracks that you have purchased that are copy-protected by Apple's FairPlay DRM system. These will usually be older songs purchased from the iTunes store before 2009.

Google Music - This will not stream through the Pure connect App

Note - You can stream these tracks via Bluetooth to your Jongo
